DROOL BRITANIA: EXPERT ADVICE

Though **Wills** and **Kate** (l.) couldn't make it to Tuesday's British Baby Shower event at midtown's British Consulate General Residence, maternity-wear designers **Rosie Pope** and **Jessica Seinfeld** had royal advice for England's power pair. "You will sleep again ... eventually," Seinfeld said at the St. George's Society of New York-hosted soiree. "Learn as much as you can so you feel confident in your decisions," advised Pope. "Don't let others sway you." We wonder if she knows who William's parents are.
