Limited Space~
Only 20 Spots Available
Members Only!

King Henry VIII – visionary, tyrant, monarch, bully, defender of the faith,
destroyer of monasteries, lover and libertine!

This exhibit and tour brings the real Henry VIII to life through books,
manuscripts, handwritten letters, and prints. Among them are works that are
unique and/or belonged to Henry himself, to his family, or to members of his
court, including the monarch's schoolboy inscribed copy of Cicero.

For more information about the exhibit please visit:
